

### **Creation Coaching**

Earth, Water, Air, Fire and Spiritual all have ways to assist you in clearing out old beliefs, emotions or energy you no longer need and then they teach you to direct their force in the creation of your life.

This type of coaching works with you internally and externally and within one or more realms, physical, mental, emotional, energetic, action and or spiritual.

Creational Coaching can assist you in taking aligned action to get projects into form, doing the emotional clearing needed to bring in a relationship, finding your creative expression, balancing your life, creating greater levels of abundance, connecting to your life purpose and much more.

Get the one-on-one help you need to expand your capacity to create your life! A Creation Coach Session can help you connect to your sacred essence and align your dreams with the organic world in order to naturally bring your desires into form.

### How we work in a Creation Coaching Session

- Earth strengthens your ability to work with the physical realm
- Water's feeling guidance helps you magnetize your desires.

- Air assists in focusing and uplifting your intention for creation
- Fire fuels the transformation of your dreams becoming your reality
- The moon rhythmically boosts your creation each month.
- The sun helps you align with the organic cycle of change.
