

If you or someone you know is having difficulty in some area of their life, or had a traumatic or unsettling incident occur in their home, a cleansing, ceremony or reading can also be beneficial.

We all hold onto clutter in our home and our life; the understanding of letting go and knowing when to release things that are no longer serving you can make a big difference in taken your next step in life.

Creating a private ceremony to do this is one of Dolores's specialties' as she has teachings from "The Priestess Process" she has studied with since 2010. In this process Dolores is able to create personalized ceremonies for individuals along with celebrations such as a new home, baby, and a milestone in a person's life. (Personalized Ceremonies are limitless contact Dolores for your personal ceremony needs)

Sometimes you know you have to release an event, person, etc. but are not sure which one it is; Readings by Dolores can give you insight to what is transpiring inside of yourself.

Purchase Now 30 Minute Reading \$50.00

Purchase Now 45 Minute Reading \$75.00

Readings and Ceremonies can go hand in hand; sometimes after an individual receives a reading they might feel the need to clear, let go, forgive a person, situation or event in their life. Dolores can create a personal ceremony for you to do this.
