### **Remarkable health benefits through advanced technology**

- The core of the **Richway BioMat** technology is a combination of far infrared rays, negative ion effects and the conductive properties of amethyst channels. These three powerful health stimulators are combined in a single, easy-to-use product with remarkable healing properties. The amethyst BioMat delivers soothing, deep-penetrating heat while stimulating the regeneration of damaged cells in your body. It's a safe and natural way to achieve optimal health now and maintain a stronger, more resilient body in the future. This highly effective therapy is now available to medical professionals and home consumers who want to improve health and well-being with products based on Nobel prize-winning scientific research pioneered by NASA and developed using pure, natural materials.

Imagine being able to improve your health and heal your body while you relax in soothing heat. That's the benefit of the amethyst BioMat technology: it's effortless, easy to use, and feels great while it delivers deep healing. Your Practitioner will simply adjust the control panel settings to address a specific health result position yourself comfortably on your BioMat, and let the deep-penetrating far infrared rays repair and strengthen your body. It's that simple. Even a short time on the BioMat reduces stress, muscle tension and

aches and pains. Most BioMat users find that the time they spend on their BioMat is the best part of their day, and a great way to unwind.

Using the **amethyst BioMat** for just a short time delivers a range of health improvements. It helps improve your antioxidant levels, keeps your joints and muscles supple and well conditioned, and leaves your body and mind relaxed and refreshed. And it's designed to fit your lifestyle. Use the BioMat into your fitness, relaxation or meditation routine.
