

With Dolores J Gozzi

A Nature Based Feminine Leadership Facilitator -

Dolores J. Gozzi is a speaker, coach, and healer who guides women to follow their heart and lead with their wisdom. She teaches women how to access their gifts, challenges and desires as the core thread of their life purpose. Dolores offers coaching and healing sessions in nature's classroom where she lives in Florida, via the phone, or online at <http://www.naturescycles.com>

Introduction to Womb Blessings & Healings –*The Womb Blessing returns our female nature back to its sacredness and awakens and restores our female energies*”

Relationships, upbringing, the stress and pressure of living in a masculine, modern world – all these things regularly disconnect us from awareness of our authentic female nature. “Quoted By Miranda Gray”

Introduction to Womb Blessings & Healings

What is the Womb Blessing?

The Womb Healing is a hands-on healing that helps to balance the archetypes, restore their energies and release blocks.

Womb Healings can bring feelings of self-acceptance, empowerment and completeness. They can help return the menstrual cycle to balance, help support women through the change to menopause, and help menopausal women embrace their new form of femininity.

The Divine Feminine energies are needed in the world now more than ever. Women are crying out to connect once again to the sacred feminine, both around them and within their bodies.

I look forward to spending time with you in this ceremony of self discovery!

What To Bring

**Every 3rd Friday of the month
7:30 pm till 9:00 pm**

- ✚ 1 White Candle
- ✚ 2 Small Bowls
- ✚ 1 Bottled Water

My office location is: The Pines-8192 College Pkwy-B37-Ft. Myers, FL 33919

Womb Blessings & Healings Cont'd

There is a need deep within to validate their femininity in all its forms, to release the restraints, pain and guilt, and to step into the world free and joyful and connected to the powerful energies that are inherent in being a woman. In this predominantly masculine world, it is time to heal the feminine and to embrace, celebrate and release its beauty and gifts.
